

VENUE FUNCTION GUIDE

4 PINES FUNCTIONS

We're not just about making beer for people to enjoy - although people tell us we do a pretty good job of it, 4 PINES is about a whole lot more than that.

From our humble beginnings in 2007, we've brewed and poured thousands of beers to our beer loving community and hosted our fair share of birthdays, corporate events, and private functions.

4 Pines Noosa offers a unique space fit for corporate or private events and parties of various sizes. The venue heralds 12 taps of our finest beer with a collection of premium drinks to complement our delicious menu.

The 4 Pines hospitality staff are happy to help you with some suggestions of entertainment, from live musicians to DJ's. We've also pulled together a list of suppliers for all things decoration & cakes if you need some help.

Whatever your next function may be, let our team know how we can smash it out of the park.

THE CATERING

We've pulled together quite the list from our Head Chef to make sure there's a little bit of something for everyone.
